powered by Symantec

1. Your subscription begins when your purchase is completed (or otherwise, when your payment is received). You must download and install on each device, or complete enrollment to get protection.
2. By subscribing, you are purchasing a recurring subscription which will automatically renew after the + [Click to view VAT and Conditions](#)
3. The price quoted today is valid for the first term of your subscription. After that, your subscription will be billed at the applicable monthly or annual renewal price [here](#). The price is subject to change, but we will always send you a notification email in advance.
4. You can cancel your subscription at [my.norton.com](#) or by contacting [Member Services & Support](#). For more details, please visit the [Refund Policy](#).
5. Your subscription may include product, service and/or protection updates and features that may be added, modified or removed subject to the acceptance of the [License Agreement](#).
6. The number of supported devices allowed under your plan are for personal or household use only. Not for commercial use. If you have issues adding a device, please contact [Member Services & Support](#).
