This is to inform you that the Parish Council has received from ERYC notification of a planning application for construction of 95 caravan compliant holiday lodges on the land adjacent to Back Lane.

Details of the application (Ref: 23/00256/STPLF) can be viewed on ERYC's planning portal: [https://newplanningaccess.eastriding.gov.uk/newplanning access/](https://newplanningaccess.eastriding.gov.uk/newplanningaccess/) and how you can submit your comments. Use the above reference in the search box.

An extraordinary meeting of the Parish Council will be held to discuss this application in the Village Hall at 8 pm, 6 April 2023. As part of the meeting, the PC will agree its comments to be submitted to ERYC in response to the planning application.

Members of the public are welcome to attend the meeting, but due to Health and Safety regulations of the Village Hall numbers have to be restricted to 90. Also no one can access the hall until 7.45 pm due to a previous class.
