East Riding of Yorkshire Council Traffic Survey March 2021 – has been returned and members are arranging a meeting during March and April with Traffic Management to look at future traffic calming in the parish.

Gritting the footpaths – the Parish Council has arranged for the footpaths in Sutton Lane and the village to be gritted again once the snow and icy weather returns.

Do you have financial worries? – Help is available for East Riding Residents. Don't struggle, find out if you are eligible today. Tel: 01482 393939 (Notices are on the Parish Notice Boards).

Dog Fouling the footpaths and verges –the great majority of dog walkers do pick up after their dog, and get really annoyed with the few who don't, as they don't want to be "tarred with the same brush". There is no excuse for not picking up. All East Riding of Yorkshire Council litter bins may be used for disposing of bagged up dog waste collected whilst walking your dog. If anyone leaves bags of dog waste on trees, bushes, the base of a lamp post etc., they are committing a littering offence that may also be punished by way of a £75 fixed penalty being issued. If you would like to report an offender, please ring the dog warden (Neil Mobile: 07880736552 or ERYC Tel: 01482 393939).

Energy Vouchers – East Riding are pleased to announce, Unity in the Community (North Hull charity) relating to being awarded funding for energy vouchers to support residents in the East Riding during this difficult period of energy price increases. Energy Vouchers for pre-payment gas and/or electric meters including pre-payment smart meters available. Phone applications Tel: 01482 420836, Monday to Friday. More information on the Barmby Moor PC website.

Stay safe, East Riding – England has moved to Plan B in response to the risks of the Omicron variant.
